MATERIALS AND MEALS FOR THE 2-DAY WORKSHOP

Managing your finances is just as important as earning money. It is your obligation **to learn** and develop **skills** to manage your earnings. This seminar/workshop will help **YOU** identify where you are now financially and give **YOU** directions and strategies on how to **plan, save, spend wisely** and **grow** your money. And we will provide the **baby steps** on how to achieve it!

Objectives of this seminar/workshop:

- >> clarify personal financial mindset;
- >> realize the importance of putting personal finances in order;
- >> review personal spending and saving habits;
- >> evaluate good and bad use of loans/debts;
- >> assess opportunities of growing and investing money.

To register, please contact the Office of CSI Director Agnes D. Padilla at 931-4182 or 931-7935 local 303, and 931-8019 (telefax)
